October, 2017

Dear Parent/Guardian,

## Learning Overviews

To provide you with a guide to your child's learning in each of their subjects there will be 'Learning Overviews' available on the Academy website.

These can be found within subject areas under the 'Curriculum' section of our website.

The purpose of these documents is to keep you up to date with the topics, key questions and areas of learning that pupils are undertaking during the assessment window that is current. These detail, week by week, the topic, intended outcomes, key words, home learning tasks and assessment activities that will be delivered by your child's teachers. Please note, as part of our RESPECT ethos, sometimes changes will be made to these curriculum elements, for example, to respond to an important news event and/or in response to the needs of the pupils. These will be updated each assessment window, which is approximately every 7 weeks.

If you have any questions or queries about this, please do not hesitate to contact me at the Academy.

Yours faithfully,

Mrs R Rose  
Assistant Principal
