Dear Parent/Guardian

SATS INFORMATION EVENING

We are pleased to invite you to a SATs information evening on Monday, 6th November 2017 at 6.00pm. This evening is for parents/guardians of pupils who are taking their SATs tests this academic year. As always, we would ask you to support this event to emphasise the partnership between school and home that forms such an important part of our children's progress. The Reading, Writing, Spelling, Punctuation and Grammar tests will be key to determining your child's overall level in English. Pupils will be tested on arithmetic, geometry, statistics and problem solving and reasoning to determine their Maths level; however, there is a very strong emphasis on pupils being able to calculate accurately and quickly.

There will be a short talk from the Faculty Leaders for Maths and English and the Leader of Pupil Engagement will be available to answer any other questions. There will be an opportunity to ask questions in an informal manner at the end of the evening. Materials will be available to support your child and ensure that they achieve the best possible outcome for their SATs. If you would like to attend, please complete the form below so that we have an idea of numbers for the evening.

Yours faithfully

Mrs D. Haydon
Assistant Principal
