Dear Parent/Guardian

I am writing to you to highlight the issue of safety at the start and end of the day at St Edwards' Church of England Academy.

I have received several letters from concerned local residents who have been unable to exit their homes and/or have experienced potentially dangerous vehicle manoeuvre as pupils arrive at or leave school.

I am very aware that there is extremely limited parking on Beggars Lane and Westwood Road, but would like to take this opportunity to request that if you use a car, you consider how and where you park when dropping off or collecting your children to avoid an accident . I would also remind you that the bus park is not for parental use and that only school buses should access this area.

I have written to the local council and Highways Agency who are looking at both these roads in terms of traffic calming.

Many thanks

Mr Hutchinson

Principal
