17th January 2018

Dear Parent/Guardian

In this age of technology and with the increasing amount of time that both we and our children are spending online, it is crucial that we are aware of the potential dangers and how to reduce or remove them.

With this in mind, we have arranged for a speaker from the NSPCC to visit the Academy at 6 PM on 28th February to discuss with parents and guardians how to keep safe online. This is a national programme sponsored by O2 that the Academy pupils have already received, and explores all elements of online safety.

If you would like to take part in this session, which will last for under an hour, please contact the office on office@st-edwards.staffs.sch.uk to book your place. Tea and coffee will be provided.

Many thanks for your support in this matter

Mr T Hutchinson
