THE VISION FOR EDUCATION WITHIN A CHURCH OF ENGLAND ACADEMY

There are fundamental reasons, rooted in the Bible, which have motivated centuries of Christian involvement in schooling in this country and around the world. The God of all creation is concerned with everything related to education.

There is a fresh articulation of the Church of England's vision for education as we meet the challenges and take the opportunities offered by the present situation. The vision is not simply for Church schools but, recognising the Church's involvement in education over many centuries, the Church of England seeks to promote educational excellence everywhere, for everyone. In Church schools like St Edward's Church of England Academy, the deeply Christian foundation for this vision will be seen explicitly in teaching and learning both in RE and across the curriculum, and also in the authentically Christian worship and ethos. The Church's vision for education can be expressed and promoted as one of human flourishing that inspires what the school is and does.

The vision is deeply Christian with the promise by Jesus of 'life in all its fullness' at its heart. This vision embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, within a wider framework. This is worked out theologically and educationally through four basic elements which permeate our vision for education:

- Wisdom
- Hope
- Community
- Dignity

The vision, in line with the Church of England's role as the established Church, is for the common good of the whole community and its environment, whether national, regional or local. It is hospitable to diversity, respects freedom of religion and belief, and encourages others to contribute from the depths of their own traditions and understandings. It invites collaboration, alliances, negotiation of differences, and the forming of new settlements in order to serve the flourishing of a healthily plural society and democracy, together with a healthily plural educational system.

ST EDWARD'S CHURCH OF ENGLAND ACADEMY VISION, ETHOS AND VALUES

The Vision for Education at our Academy

At St Edward's Church of England Academy, we are commissioned to celebrate and support the talents and potential of all in our community (Matthew 28: 18-12). In our Academy, we are all journeying together in order to learn through faith, grow through hope and achieve through love (Corinthians 13:13), allowing all to live life in all its fullness (John 10:10).

We are an avowedly inclusive community where all are welcomed, supported and celebrated for all they are and for all they do. Our Academy is a place of and a space for flourishing and fulfilment because here...

...we are 10:10 people.

The ethos and values of St Edward's Church of England Academy are based on the teachings of Jesus Christ and underpin everything that we are and everything that we do, which is encompassed in the word '**RESPECT**'.

Each letter links to the Academy motto – *Learn for Life*.

Definitions

Looked-after children are registered pupils that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social service functions, for a continuous period of more than 24 hours
- Looked-after children are also often referred to as **children in care**, a term which many children and young people prefer.

Previously looked-after children are registered pupils that fall into either of these categories:

- A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
- A special guardianship order or an adoption order

- They appear to the governing board to have been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and ceased to be in that state care as a result of being adopted

Personal education plan (PEP) is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

- During the development and review of PEPs, help the school and relevant local authority decide what arrangements work best for pupils Ensure that:

- PEPs are clear about what has or has not been taken forward, noting what resources may be required to further support the child and from where these may be sourced from. The updated PEP is passed to the child's social worker and VSH ahead of the statutory review of their care plan

- There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress
- School policies are communicated to their carer and social worker and, where appropriate, birth parents
- Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips
- Where a looked-after child is at risk of exclusion:
- Contact the VSH as soon as possible so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary to Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour
