THE VISION FOR EDUCATION WITHIN A CHURCH OF ENGLAND ACADEMY

There are fundamental reasons, rooted in the Bible, which have motivated centuries of Christian involvement in schooling in this country and around the world. The God of all creation is concerned with everything related to education.

There is a fresh articulation of the Church of England's vision for education as we meet the challenges and take the opportunities offered by the present situation. The vision is not simply for Church schools but, recognising the Church's involvement in education over many centuries, the Church of England seeks to promote educational excellence everywhere, for everyone. In Church schools like St Edward's Church of England Academy, the deeply Christian foundation for this vision will be seen explicitly in teaching and learning both in RE and across the curriculum, and also in the authentically Christian worship and ethos. The Church's vision for education can be expressed and promoted as one of human flourishing that inspires what the school is and does.

The vision is deeply Christian with the promise by Jesus of 'life in all its fullness' at its heart. This vision embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, within a wider framework. This is worked out theologically and educationally through four basic elements which permeate our vision for education:

- Wisdom
- Hope
- Community
- Dignity

The vision, in line with the Church of England's role as the established Church, is for the common good of the whole community and its environment, whether national, regional or local. It is hospitable to diversity, respects freedom of religion and belief, and encourages others to contribute from the depths of their own traditions and understandings. It invites collaboration, alliances, negotiation of differences, and the forming of new settlements in order to serve the flourishing of a healthily plural society and democracy, together with a healthily plural educational system.

ST EDWARD'S CHURCH OF ENGLAND ACADEMY VISION, ETHOS AND VALUES

The Vision for Education at our Academy

At St Edward's Church of England Academy, we are commissioned to celebrate and support the talents and potential of all in our community (Matthew 28: 18-12). In our Academy, we are all journeying together in order to learn through faith, grow through hope and achieve through love (Corinthians 13:13), allowing all to live life in all its fullness (John 10:10).

We are an avowedly inclusive community where all are welcomed, supported and celebrated for all they are and for all they do. Our Academy is a place of and a space for flourishing and fulfilment because here...

...we are 10:10 people.

The ethos and values of St Edward's Church of England Academy are based on the teachings of Jesus Christ and underpin everything that we are and everything that we do, which is encompassed in the word 'RESPECT'.

Each letter links to the Academy motto – *Learn for Life*.

'Learn for Life'

- Recognise and Encourage everyone's potential, individual skills and talents
- Strive to be the best we can be
- Prepare for the challenges of life
- Empathise – promoting the values of respect, kindness, compassion, fairness, forgiveness, love, honesty and trust
- Christian – a community where we learn from the teachings of Jesus so that we can contribute to the family of St Edward's and beyond
- Teamwork – an environment where we work together so we can all achieve our potential

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

1.4 Collecting this information

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

1.7 National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census and early years' census.

Some of this information is then stored in the National Pupil Database (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on how it collects and shares research data. You can also contact the Department for Education with any further questions about the NPD.

1.8 Youth support services

Once our pupils reach the age of 13, we are legally required to pass on certain information about them to the relevant local authority or youth support services provider in which the academy is located, as it has legal responsibilities regarding the education or training of 13-19 year-olds.

Parents/carers, or pupils once aged 16 or over, can contact our data protection officer to request that we only pass the individual's name, address and date of birth to the relevant local authority or youth support services provider in which the academy is located.

1.9 Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

1.10 Staff, Parents and pupils' rights regarding personal data

Individuals have a right to make a 'subject access request' to gain access to personal information that the school holds about them.

St Edward's Church of England Academy

Parents/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 12), or where the child has provided consent.

Staff and Parents also have the right to make a subject access request with respect to any personal data the school holds about them.

If you make a subject access request, and if we do hold information about you or your child, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you or your child
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact our data protection officer.

The Academy believes that parents, or those with parental responsibility, have a right to free access to their child's educational record (which includes most information about a pupil) within 15 school days of receipt of a written request. To request access, please contact the Clerk to Trustees at the academy.
