

Learning Journey

8

Year 8

Cartesian plane

Multiply & divide fractions

$$\frac{2}{10}$$

Multiplicative change

Ratio and scale

Representing data

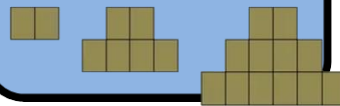

Tables & probability

Brackets, equations & inequalities

Sequences

Indices

Fractions & percentages

$$\frac{2}{10}$$

%

Area of trapezia & circles

Angles in polygons and parallel Lines

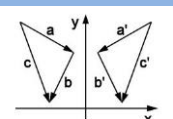

Number sense

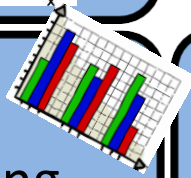

Standard form

4.2×10^9
Must be 1 to 10 (but not 10)
Must be an Integer
Must be $\times 10$

Reflection

Data handling

Measure of location
