Year 8 Camp - 2024

Dear parents/carers

Traditionally, our year 8 pupils have attended a residential visit to Boreatton Park in Shropshire during the summer term of their final year at St Edward's. The site is run by PGL – a company who have been involved in the provision of outdoor education since 1957. Accommodation would be in the onsite lodges near to the mansion house. The land stretches over 240 acres and includes a river, three lakes and a 37ft sandstone cliff for abseiling.

We are very conscious of the cost of living crisis and wanted to gauge interest in the trip and share the approximate cost before making any reservations with the provider. If there isn't enough interest to make the trip viable then we will not make the reservation.

The cost of the trip will be in the region of **£455** per pupil. There will be the option of paying for the trip in instalments to assist families in their budgeting. It is likely that the initial deposit for the trip would need to be paid before we close for the summer break in July.

Included in the cost of the trip is:

- Return coach travel
- A full daily programme of adventure activities
- Fun evening entertainment
- All meals and accommodation
- Full comprehensive travel insurance

Pupils take part in a range of activities which can include canoeing, archery and zip wiring; there is also a stop at RAF Cosford on the way to the site.

Please can you complete **[THIS ONLINE FORM](#)** by **9am on Friday 12th May 2023** to let us know whether or not you would like your child to attend.

Thank you for your support
