THE VISION FOR EDUCATION WITHIN A CHURCH OF ENGLAND ACADEMY

There are fundamental reasons, rooted in the Bible, which have motivated centuries of Christian involvement in schooling in this country and around the world. The God of all creation is concerned with everything related to education.

There is a fresh articulation of the Church of England's vision for education as we meet the challenges and take the opportunities offered by the present situation. The vision is not simply for Church schools but, recognising the Church's involvement in education over many centuries, the Church of England seeks to promote educational excellence everywhere, for everyone. In Church schools like St Edward's Church of England Academy, the deeply Christian foundation for this vision will be seen explicitly in teaching and learning both in RE and across the curriculum, and also in the authentically Christian worship and ethos. The Church's vision for education can be expressed and promoted as one of human flourishing that inspires what the school is and does.

The vision is deeply Christian with the promise by Jesus of 'life in all its fullness' at its heart. This vision embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, within a wider framework. This is worked out theologically and educationally through four basic elements which permeate our vision for education:

- Wisdom
- Hope
- Community
- Dignity

The vision, in line with the Church of England's role as the established Church, is for the common good of the whole community and its environment, whether national, regional or local. It is hospitable to diversity, respects freedom of religion and belief, and encourages others to contribute from the depths of their own traditions and understandings. It invites collaboration, alliances, negotiation of differences, and the forming of new settlements in order to serve the flourishing of a healthily plural society and democracy, together with a healthily plural educational system.

ST EDWARD'S CHURCH OF ENGLAND ACADEMY VISION, ETHOS AND VALUES

The Vision for Education at our Academy

At St Edward's Church of England Academy, we are commissioned to celebrate and support the talents and potential of all in our community (Matthew 28: 18-12). In our Academy, we are all journeying together in order to learn through faith, grow through hope and achieve through love (Corinthians 13:13), allowing all to live life in all its fullness (John 10:10).

We are an avowedly inclusive community where all are welcomed, supported and celebrated for all they are and for all they do. Our Academy is a place of and a space for flourishing and fulfilment because here...

...we are 10:10 people.

The ethos and values of St Edward's Church of England Academy are based on the teachings of Jesus Christ and underpin everything that we are and everything that we do, which is encompassed in the word '**RESPECT**'.

Each letter links to the Academy motto – *Learn for Life*.

'Learn for Life'

- Recognise and Encourage everyone's potential, individual skills and talents
- Strive to be the best we can be
- Prepare for the challenges of life
- Empathise – promoting the values of respect, kindness, compassion, fairness, forgiveness, love, honesty and trust
- Christian – a community where we learn from the teachings of Jesus so that we can contribute to the family of St Edward's and beyond
- Teamwork – an environment where we work together so we can all achieve our potential

Limiting the cost of School Uniform

Our Academy has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding, where possible, different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items i.e in school, uniform bank
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
