

October 2023

Dear Parent/ Carer,

**10:10 Celebration Assembly**

On Tuesday 10<sup>th</sup> October 2023, we will be celebrating our 10:10 day. As an academy this a really important date in our school year. It is a chance to come together and celebrate what being 10:10 really means.

As you will be aware our students are fantastic ambassadors of our 10:10 ethos and we wish to celebrate this along with our heritage of St Edward's Church of England Academy by holding a St Edward's feast.

This year, as part of our St Edward's feast we are asking pupils to bring in a food item to share with their form. This will be followed by a 10:10 activity during their Collective Worship time.  
**(please note that we are an allergy aware school).**

Yours sincerely,

Mrs J Arnott

Faculty Leader for RE and Siam's
