

January 2024

Dear Parents and Carers,

We would like to make you aware of an opportunity to take part in parent / carer maths sessions that will help you to support your child's learning in maths.

Buxton and Leek College (BLC) is a delivery partner with Staffordshire County Council and the DfE for **Multiply** and one of their programmes is called **FIGURE IT OUT**. This initiative focuses on working in collaboration with local schools in the Staffordshire Moorlands. This is a short **fully funded** programme designed to help parents/carers support children with their maths at school.

Buxton and Leek College are a **TES award winning** maths team and will deliver a tailored short course of the appropriate maths curriculum delivered at school - focusing on improving adult confidence, knowledge and application of skills in maths.

FIGURE IT OUT – starting Tuesday 16th January 2024
Brush up on key numeracy skills to support children with maths at home

Where: St Edward's Academy, Leek

Duration: 1 hour per week. Time slots 4pm-5pm & 5pm-6pm

Who: Parents/carers of Y5, Y6, Y7 & Y8 children - children/pupils can come along too.

Aim: To equip parents/carers with the knowledge and skills to improve student outcomes in maths

Legacy/on-going support: parents will be signposted to appropriate websites to continue supporting children with their maths studies.

There are **no assessments or exams** for adults to take, just learning maths to support children, in a friendly environment.

There will be a maximum group size of 10 families per session. Sessions will be run by staff from BLC in a classroom at St Edward's. All equipment will be provided and there is no cost.

To sign up, please complete the google form [Figure it Out-Maths Multiply](#). We will then be in touch to confirm your space.

Thank you for your ongoing support,

Stuart Tunstall

Lyndsey Mollison

Faculty Leader for Maths

Maths Lecturer and Multiply Lead,
Buxton and Leek College
