

November 2023

Dear Parents/Carers,

Drop Down Day - Tuesday 12th December

On Tuesday 12th December all pupils will be taking part in a PHSE careers themed day and this means that all classes will follow a different timetable on this day.

- **Y5:** sessions include 'Money Matters' with HSBC, a road safety workshop and team building games with Bee Active.
- **Y6:** sessions include Philosophy for Children, designing Christmas cards for the local community, a careers activity and managing your money.
- **Y7:** PCSOs safe relationships, PE, designing Christmas cards for the local community and careers.
- **Y8:** sessions with the Air Ambulance (careers), YMCA managing conflict, Buxton and Leek College (GCSE options and T Levels) and dangers of child exploitation.

We also hope to have a visit from Nathan Tracey, former pupil, who will talk about his career flying planes with the RAF!

As part of the day, we would like to invite pupils to come in their own clothes in return for a donation of £1 which will go to our two chosen charities: the Air Ambulance and Signal One's 'Mission for Christmas' campaign which aims to raise money for local children <https://planetradio.co.uk/signal1/charity/events/mission-christmas-2023-staffs-ches/>

As pupils will be taking part in active sessions, they should wear suitable, warm sportswear and trainers. Payment of £1 should be made via ParentPay.

Thank you for your ongoing support,

Mrs Rose
Wider Curriculum Leader
