Information for Pupils

The Academy attendance target is **97%**, this is what we want all pupils to aim for and is deemed as good attendance.

Did you know that...

96% attendance is below the national average and classed as poor attendance

90% attendance = 19 days off school

85% attendance = 29 days off school (a whole half term)

80% attendance = 38 days off school

70% attendance = 57 days off school (a whole term)

If you are taken out of school for a 2-week holiday during term time, this will mean that your attendance cannot be better than **94.7%** for that academic year

If your attendance falls below **95%** your parents/carers may receive a letter informing them of our concern. If your attendance does not improve, then the issue may be referred to the Education Welfare Officer.

Attendance bands:

97%-100% Excellent! 97% is the Academy target!

93%-96% Be Careful! You could be missing up to two weeks of learning in a school year.

90%-92% Improvement Needed! You are missing at least 2 weeks of learning in the school year.

Less Than 90% Persistent Absence. You are missing at least 4 weeks of learning in the school year.

Punctuality

It is important that you arrive to school on time.

Do you realise that regular lateness = **absence?**

Over a school year:

5 minutes late every day = 3 days absent

15 minutes late every day = 10 days absent

30 minutes late every day = 19 days absent

Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

- Transfer calls from parents/carers to the Pastoral Team where appropriate, in order to provide them with more detailed support on attendance
- Provide a daily update on attendance, creating a weekly report on whole school attendance to inform the work of the Pastoral Team and Vice Principal

Parents

Where this policy refers to a parent, it refers to the adult the Academy and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day and on time
- Call the Academy to report their child's absence before 9am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting their child's Key Stage Leader
- Take holidays during school holiday periods and be aware that leave of absence requests during term time will be refused unless there are exceptional circumstances, as outlined in the DfE's statutory guidance 'Working Together to Improve School Attendance' – August 2024

Pupils

Pupils are expected to:

- Attend school every day, on time
- Do all they can to attend school regularly and punctually

- Inform a trusted adult if they feel they have concerns or issues which may make them reluctant to attend the Academy or to be punctual

Recording attendance

Attendance Register

We will keep an electronic attendance register, and place all pupils onto this register. We will take our attendance register at the start of each session, of each school day. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

The school day starts at 08:40 and ends at 15:15

Pupils must arrive in school by 08:35 on each school day.

The register for the first session will be taken at 08:40 and will be kept open until 08:50. Any registration marks after 8:50 but before 09:05 will be as "L" (late arrival). Any registration marks after 09:05 will be marked as "U" (arrived in school after registration closed)

Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08:40 or as soon as practically possible, by calling the school office staff, on 01538 714740.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the Academy will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the Academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Lateness and Punctuality

A pupil who arrives late to school:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U)
- On 6 occasions will be recorded on the behaviour system. This will reset each half term

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact external agencies such as the police, PCSOs or EWO where needed
- Identify whether the absence is approved or not

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with then the Education Welfare Officer will be informed

Reporting to parents

The Academy will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels.

Authorised and Unauthorised Absence

Approval for term-time absence

The Principal will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The Academy considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and in accordance with any leave of absence request form, accessible via the Academy website. The Principal may also require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Flowchart – Request of Leave of Absence During Term Time

1.Parent / carer requests a leave of absence at least one month before the start date of the absence, using the Academy leave of absence request form (see school website) 2.The Academy will decide regarding the application (we may also liaise with other schools if there are children in the family at another school), and will inform parent / carer via letter as to whether the request has been agreed			
Agreed		Declined	
-Leave of absence is authorised due exceptional circumstances are accepted ↓		-Leave of absence is denied as circumstances are deemed not to be exceptional ↓	
-The Academy will inform parent / carer in writing that the request has been agreed		-The Academy will inform parent / carer in writing that the request has been denied and that if the absence occurs it will be unauthorised -If a parent / carer wishes to appeal against the decision then they should contact the Academy to discuss further ↓	
Pupil returns to school on the date agreed ↓ Attendance is monitored ↓ Attendance declines ↓ Refer to Attendance Policy		Unauthorised absence occurs. Does the absence meet criteria for Penalty Notice?	
Pupil does not return to school on the date agreed ↓ Absence is unauthorised ↓ Safe & Well checks completed by Key Stage Leaders ↓ Attendance is monitored		No	Yes
		Absence is unauthorised ↓ Attendance is monitored ↓ Attendance declines ↓ Refer to Attendance Policy	Academy to inform Parent / Carer that the matter has been referred to the EWO ↓ Academy to inform the EWO and complete a Penalty Notice Request ↓ EWO responds to the request within 10 school days and outlines to the Academy the next steps

Sanctions

The Academy will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before referring for a penalty notice, the Academy will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

Strategies for promoting attendance

- A clear timeframe of between 3 and 6 weeks for the improvement period
- Class teachers will ensure that the curriculum is delivered within a culture of inclusion and in such a way that pupils feel that they have and can succeed
- Individual pupils whose attendance has been a cause for concern will be encouraged to set and achieve personal attendance goals
- Pupil attendance figures will be available to parents and pupils
- Positive verbal reinforcement is given to pupils who have been absent from school for a period of time. They will have the support of staff, particularly the Form Tutor and Key Stage Leader.

Attendance Monitoring

Monitoring attendance

The Academy will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The Academy will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the trustee board.

Analysing Attendance

The Academy will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The Academy will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families

- Provide regular attendance reports to form tutors and Faculty Leaders, to facilitate discussions with pupils and families, and to the board of Trustees and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The Academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold meetings/conversations with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

Children with Health Need who cannot Attend School

At St Edward's Church of England Academy our aim is to ensure that:

- suitable education is arranged for pupils on roll who cannot attend school due to health needs.
- Pupils, staff and parents/carers understand what our school is responsible for when education is being provided by the local authority (LA)

Initially, we will attempt to make arrangements to deliver the same high standard of education for children with health needs who cannot attend school.

If we cannot make suitable arrangements, or if it is clear that a child will be away from school for 15 days (consecutive or over the course of the year) or more because of their health needs, the local authority will become responsible for arranging suitable education for these children.

When the local authority arranges alternative education, the education should begin as soon as possible, and at the latest by the 6th day of the child's absence from school.

Where full-time education is not in the child's best interest for reasons relating to their physical or mental health, the local authority must arrange part-time education on whatever basis it considers to be in the child's best interests.

In cases where the local authority makes the arrangements, our Academy will:

- Provide to the local authority, at agreed intervals, the full name and address of any pupils of compulsory school age who are not attending school regularly due to their health needs
- Work constructively with the local authority, providers, relevant agencies and parents/carers to ensure the best outcomes for the child
- Collaborate with the local authority to ensure continuity of provision and consistency of curriculum, including making information available about the curriculum
- Along with the local authority, regularly review the provision offered to ensure it continues to be appropriate for the child and that it is providing suitable education
- Share information with the local authority and relevant health services as required
- When a child has complex or long-term health issues, work with the local authority, parents/carers and the relevant health services to decide how best to meet the child's needs (e.g. through individual support, arranging alternative provision or by them remaining at school, being supported at home and back into school after each absence)
- Where possible, allow the child to take examinations at the same time as their peers, and work with the local authority to support this
- Help make sure that the child can be reintegrated back into school successfully

➤ When reintegration is anticipated, work with the local authority to:

- Plan for consistent provision during and after the period of education outside the school, allowing the child to access the same curriculum and materials that they would have used in school as far as possible, including through digital resources
- Enable the child to stay in touch with school life (e.g. through newsletters, emails, digital learning platforms, social media platforms, invitations to school events or internet links to lessons from their school), and, where appropriate, through educational visits
- Create individually tailored reintegration plans for each child returning to school, which includes extra support to fill any gaps arising from the absence
- Consider whether any reasonable adjustments need to be made

Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum of 12 months by Mr. J Simm. At every review, the policy will be approved by the Principal and Board of Trustees
