

Thematic study- public health over time

In the spring term, we learn about the significant people who helped improved the lives of others such as Dr Barnardo, the Matchstick girls and the Suffragettes.

During the summer term, you will be learning about how ideas about public health and medicine have changed over time. We will dive back into ancient medicine starting with the Greeks and end with our wonderful NHS.

Who fought for change?

What was it like to live in a Victorian town as a working child?

In the past children who were your age had to go to work. You will learn where they worked and in what conditions. You will study why children were employed and compare to the attitudes of today.

How much change from 1750- 1900? Local Study

How much changed from 1750 -1900?

Here you will look at the changes that took place in Britain from 1750 -1900 known as the 'Industrial Revolution' and what that meant for peoples health and jobs. You will also learn about our local history and how canals, railways, mines, pot banks and the silk industry changed the lives of the people of Leek and Stoke-On- Trent.

Y6

In the summer term, you will look at what life was like in Tudor England, who had power and how they lived.

Elizabethan 'Golden Age'?
